MCR-AF

Brand: Okuma Australia

Product Code: MCR#AF

Availability: In Stock

Weight: 0.00kg

Dimensions: 0.00cm x 0.00cm x 0.00cm

Short Description

The MCR-AF double column machining center is a space-saving, high-speed double column machining center that is ideal for medium to large die/mold and IT products.

Description

The MCR-AF double column machining center is a space-saving, high-speed double column machining center that is ideal for medium to large die/mold and IT products. Built for powerful and highly rigid machining, the MCR-AF is highly efficient and accurate. The Okuma OSP control makes programming, operation and integration with peripheral equipment seamless.
