GP/GA-34/44FII

Brand: Okuma Australia

Product Code: GP#34FII

Availability: In Stock

Weight: 0.00kg

Dimensions: 0.00cm x 0.00cm x 0.00cm

Short Description

Available in both plain head and angle head, this CNC O.D. grinding machine can perform the following grinding applications: Center work and optional chuck work operations;

Description

Available in both plain head and angle head, this CNC O.D. grinding machine can perform the following grinding applications: Center work and optional chuck work operations; Straight plunge, multi-plunge, cylindrical traverse, face plunge and tapered traverse grinding operations; Taper, arc and complicated form grinding. This grinder is controlled by the Okuma OSP control and is capable of simultaneous two-axis control. This grinder is extremely flexible in handling a wide variety of workpiece shapes in a simple data setting, and the addition of automation accessories will make it an excellent part of a flexible manufacturing system.

Specification

MODEL	UNIT	GP/GA-34/44FII
Swing over table	? mm	330/430
Distance between centres	mm	350 - 1,500
Wheel size	mm	?455x75
Wheel peripheral speed	m/sec	45
Wheel motor	kW	7.5
Floor Space	mm	2,270 - 5,570x2,352
