## **SPACE CENTER MA-550VB**

**Brand:** Okuma Australia  
**Product Code:** MA#550VB  
**Availability:** In Stock  
**Weight:** 0.00kg  
**Dimensions:** 0.00cm x 0.00cm x 0.00cm

### **Short Description**

The MA-550V harnesses the full potential of power and speed. Designed with a dual way system, this vertical machining center combines the heavy duty cutting power of box ways with the high-speed capability of the linear guide.

### **Description**

The MA-550V harnesses the full potential of power and speed. Designed with a dual way system, this vertical machining center combines the heavy duty cutting power of box ways with the high-speed capability of the linear guide. This unique approach creates a versatile machine able to accommodate multiple cutting and finishing needs on a single machine. Extreme power must be balanced by control. Okuma designed the box ways on the MA-550V with an internal coolant system to eliminate overheating. A geared headstock provides maximum torque and horsepower throughout the entire RPM range for heavy machining.

## Specification

MODEL	UNIT	SPACE CENTER
		MA-550VB
Table	mm	1,300x560
Travels (X-Y-Z)	mm	1,300x560x560
Spindle Speed	min <sup>-1</sup>	6,000
Tool Storage	tools	32
Motor (VAC)	kW	22/15/11
Floor Space	mm	3,200x2,855
